MILLCARE EXPANDS PRESENCE IN HOUSTON
Independent Franchise Partner Corporate Floors Opens New Location

HOUSTON, Sept. 26, 2006 – MilliCare, one of the world's leading carpet and textile maintenance companies, has issued a second franchise agreement in the Houston area. Dallas-based Corporate Floors, Inc. joins the existing MilliCare franchise in the market. The new office is located at 14300 Northwest Highway in Houston.

"We're very excited to expand our reach in Houston. It is a market with a growing need for MilliCare's industry leading carpet and textile maintenance services," said Debbie Michalak, director of marketing for MilliCare. "We look forward to making our services more available to the numerous Fortune 500 company headquarters and other businesses in the area."

"Expansion into the Houston market is a great opportunity," said Thomas Holland, president of Corporate Floors. "We look forward to bringing our world-class customer service and MilliCare's exceptional technology to the market."

Holland has offered MilliCare services to the Dallas area since 1997, when he became one of the company's first 10 franchise partners. Corporate Floors in Dallas has been recognized for distinction within the MilliCare network, receiving numerous Awards of Excellence and other awards. Holland was also president of the Dallas/Fort Worth Chapter of the International Facility Management Association from 2004 - 2005. He recently re-signed his franchise agreement for his Dallas operation, extending his contract an additional five years.

All MilliCare franchises offer a proprietary carpet and textile cleaning system that effectively cleans while prolonging the life of the material and contributing to better indoor air quality. According to a study conducted through the Lawrence Berkeley National Laboratory,

MilliCare Houston changes hands/add one

U.S. companies could save an estimated \$200 billion annually in improved worker productivity by creating offices with better indoor air.
